why you joined Masonry. Did you join so you could sit in a meeting, wear an apron, and listen to minutes being read? Or, did you join to be a part of something much bigger? Let's Be Active and make our lodge a shining beacon for our community.

From The West

My Brothers;

Orlando Lodge No. 69 is continuing to move forward and we want you to be along for the journey. I have put out a challenge to all the Brothers of our lodge. This challenge is called Be Active.

Remember, the Masonic lodge is not the 4 walls of our building, it's out in the community doing good works, it's our fellowship with each other and families, and it's our travels to meet other brothers. From that aspect, we have succeeded as we have brought the gavel back to Orlando 69. Come by to check it out.

But we have many more things that we need to do. Our adopted school still needs our support. We continue to work with our teachers and honor a student of the month, but we should to more. However, they did honor us by nominating Orlando 69 for partner of the year in the Orange County School System, so we are on the right track.

I have mentioned a few things in lodge that may have upset some brothers, and if that is the case, it was not my intention. All I ask is that you look into

My Brothers,

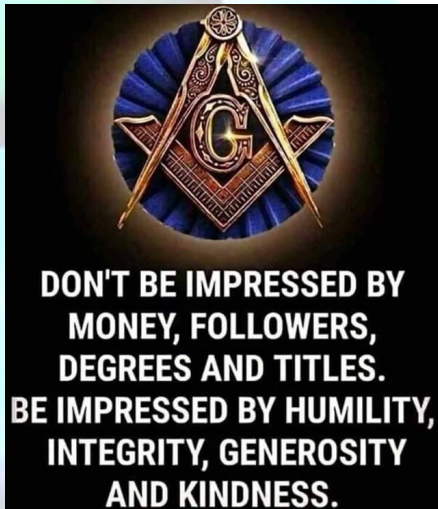

This has already been a busy and successful year. We have accomplished one of our biggest discussion points over the past several years (The roof) and are showing no signs of slowing down. We want your input and your involvement. We are only as strong as the Craft and have the potential to be the shining example of what Freemasonry truly is.

Also, Grand Lodge is coming up soon. If you wish to attend, make sure you register with our Brother Secretary.

Travel Safely, Brothers
